

Charles (Chuck) Negin CV

Chuck Negin graduated from MIT in 1961 with a Master of Science degree in Mechanical Engineering. He was then with the U.S. Navy through 1966 followed by the nuclear power plant industry. He assisted with the initiation of nuclear plant life extension and license renewal in 1978 as a consultant to EPRI. Mr. Negin worked at TMI-2 from 1979 through 1990. Since 1992 he has supported the U.S. DOE for decommissioning its facilities. Since 2011 Mr. Negin has been involved with Fukushima cleanup by providing TMI-2 experience and as a consultant to the IRID organization.
