

Summary and Abstract Preparation and Submission Guideline: Technical Poster Session at the 8th International Forum on the Decommissioning of the Fukushima Daiichi Nuclear Power Station

1. Objective

The Abstract will be distributed at the 8th International Forum to introduce leading-edge technologies and R&D for the decommissioning of the Fukushima Daiichi Nuclear Power Station. After the forum, the Abstract will be published on our website as the information for the future decommissioning projects.

2. Specification – Summary

- Summary of the Abstract.
- Up to 200 words (English).
- Input directly to the Poster Session registration system.

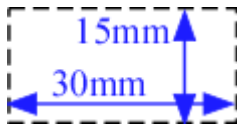

3. Specification – Abstract

- See attached template of Abstract.
- **Paper size:** A4(210mm x 297mm), 1 sheet
- **Language:** English
- **ID number:** Leave a blank space of 30mm x 15mm at the upper left corner. The Secretariat will fill in your ID number.
- **Margins:** 25mm for all four sides (top, bottom, left, and right)
- **Font:** Century, Times New Roman, Symbol are recommended.
- **Layout:** Place Title (13pt), Author names (11pt), Affiliations (11pt) and Abstract (10pt) at the top and References (9pt) at the bottom.
The Abstract section should provide a short summary of your presentation (approx. 60 words). There are no restrictions on the use of colors in your Abstract.
- **Submission:** Please convert your abstract data to PDF file and upload via Poster Session registration system.
The PDF file must not exceed 3MB. You are not allowed to compress/password protect your PDF file or use any other security features.

4. Deadline

Monday, 17 June 2024, 23:59 JST

Abstract

Please submit 3) Abstract, 10pt, Approx. 60 words

1. Introduction

6) Make all section titles Bold, 10pt

This is a template for authors registered for the Technical Poster Session of the 3rd International Forum.

2. Configuration of Page Layout

2-1. Length of the abstract

The abstract length is limited to 1 page of A4:210mm x 297mm. Please do not insert the page numbers in your abstract. The authors apply single column, and Top: 25mm, Bottom: 25mm, Left: 25mm, Right: 25mm as margins.

2-2. Font type

Century, Times New Roman and Symbol are recommended. The font should be embedded if you use other font types than these recommended.

2-3. Font sizes

1) Title/Subtitle: 13pt, 2) Author names: 11pt, 3) Affiliations: 11pt, 4) Abstract: 10pt, 5) Introduction to Conclusion: 10pt, 6) References: 9pt

2-4. Figures and Colors

The abstract may include tables, figures and captions. There are no restrictions on the use of colors in your abstract.

2-5. Points to consider when preparing PDF file

The PDF file must not exceed 3MB. You are not allowed to compress/password protect the file or use any other security features.

3. Conclusion

We hope this template will be helpful for the authors who are preparing the abstract for the Technical Poster Session of the 2nd International Forum. Please submit your abstract to the Secretariat via our website. The abstracts will be distributed at the forum.

Poster Preparation and Submission Guideline: Technical Poster Session at the 8th International Forum on the Decommissioning of the Fukushima Daiichi Nuclear Power Station

1. Objective

The Poster will be presented at the 8th International Forum to introduce leading-edge technologies and R&D for the decommissioning of the Fukushima Daiichi Nuclear Power Station. The posters will be used for holding of the session only.

2. Specification

- **Poster size:** Portrait A0(W 841mm x H 1,189mm), 1 sheet, See Figure 1.
- **Language:** English
- **ID number:** Leave a blank space of 60mm x 150mm at the upper left corner. The Secretariat will fill in your ID number.
- **Margins:** 25mm for all four sides (top, bottom, left, and right)
- **Layout:** Place Title, Author names, Affiliations and Abstract prominently at the top of the poster.

The Abstract should provide a short summary of your presentation (approx. 60 words).

- **Colors:** There are no restrictions on the use of colors in your poster.
- **Font/Size:** Please choose a font which is easy to read. It is also important to choose a suitable font size.
- **Submission:** Please convert your abstract data to PDF file and upload via Poster Session registration system.
You are not allowed to compress/password protect your PDF file or use any other security features.
- The posters will be printed and prepared at the venue by the Secretariat.
- The digital files of posters will be deleted after the forum.

3. Deadline

Friday, 26 July 2024, 23:59 JST

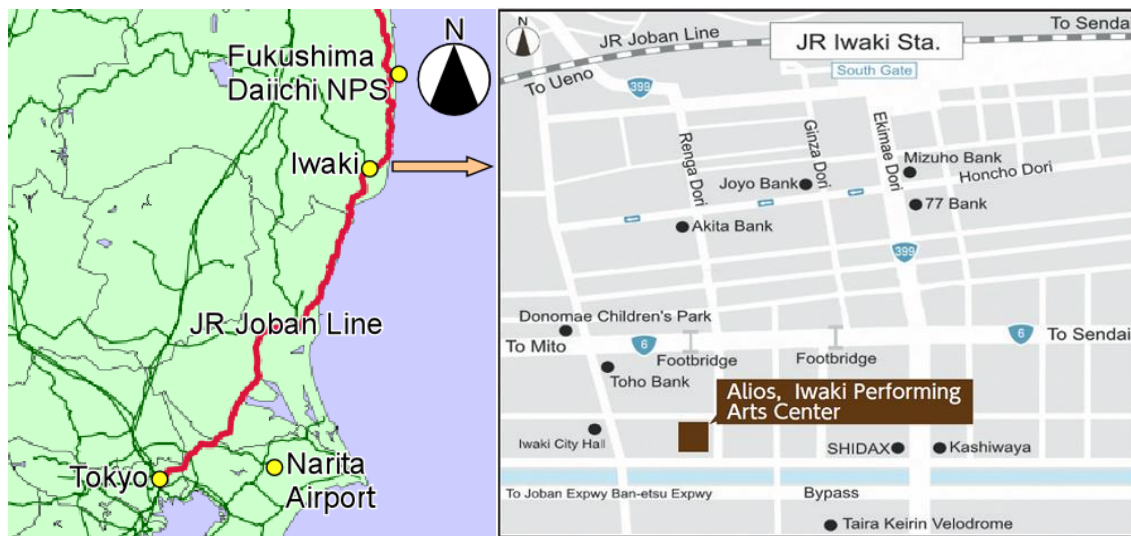

4. Other showpieces

If you wish to use electric power or a table to display the small product samples or distribute handouts, please register via Poster Session registration system.

5. Presenters

- At least one of the authors must attend the technical poster session during the following: Monday, 26 August 2024, 10:00-11:00, 13:00-14:30 (JST, tentative)
- **Please make sure to register from the Forum registration system to attend the Forum (registration for the Poster Session alone does not constitute the Forum participation).**
- Registration for presenters is open at Alios, Iwaki Performing Art Center on Sunday, 25 August 2024, 16:00-18:00.

*Misaki 1-6, Taira Aza, Iwaki-shi, Fukushima-ken, Japan

6. Transfer of posters

Used posters will be given to the authors after the technical poster session if the authors wish to have their posters. Please bring a container, bags, or boxes for the poster if needed. Note that all the posters that remain uncollected after the session will be removed and disposed by the Secretariat.

7. Technical tour of Fukushima Daiichi NPS

A technical tour of the Fukushima Daiichi NPS will be held on Tuesday, 27 August 2024. If you wish to join the tour, please register via Poster Session registration system. Up to 2 persons per poster can apply for the tour. We might not be able to meet your request due to limited capacity.
